Tester in Objectivity

General

- Test Management
  - Visual Studio Azure Devops
  - Jira and Xray
  - HP Quality Center / ALM
- Test Environment Management
- Test Data Management
- Quality & Risk Management

Tools

- Automation
  - Objectivity Testing Framework
  - Selenium WebDriver
  - Test Complete
  - Puppeteer
  - Protractor
  - Selenide
  - DBTestCompare
- Performance
  - JMeter
  - Visual Studio Load Tests
  - TREAT
  - LightHouse
  - Chrome DevTools
  - Gatling
- Security
  - SonarQube
  - Kali Linux
  - Chrome DevTools
  - BURP
  - OWASP ZAP
- Mobile
  - Android SDK, iOS SDK and profiling tools
  - BrowserStack
  - Xcuitest
  - Espresso
  - Appium
- WebApi
  - SoapUI and PostMan
  - Rest Assured
  - RestSharp

Test Approach

- Automation Test Pyramid
- Agile and Lean
- Test consulting
- Performance audit
- Test Assistance
- Shift Left
- Continuous Automation

Testing Communities

- Automation
- Performance
- Security
- Test
- Mobile

Industry Expertise

- BFSI (banking, financial services & insurance)
- Aviation & Manufacturing
- Travel & Logistics
- E2E Product Engineering Process
- Healthcare
- eCommerce
- Retail

Certification

- ISTQB Foundation
- ISTQB Advanced
- MS Certificates
- OSCP

Internal and External workshops

- Selenium WebDriver
- Csharp for Testers
- JMeter Training
- Web Services
- ISTQB Foundation Training
- SQL
- Protractor Training

Product Expertise

- CRM
  - Microsoft Dynamics
  - SalesForce
- BI
- Mobile Applications
- Cloud Solutions
  - Microsoft Azure
  - Amazon Web Services
- IBM iSeries
- Mendix
- Bots

Functional Testing

- System Integration Testing
- System Testing
- E2E Testing
- Regression
- Exploratory and session based testing
- SOA & Webservices Testing
- User Acceptance Testing
- Mobile
- Operational Acceptance Test

Non Functional Testing

- Security Testing
  - OWASP ASVS
  - HaQAthons
  - Security Audit
  - Smoke
  - OWASP Security Checklist
- Database Testing
  - Oracle
  - Postgres
  - MS SQL
  - Big Data
- Data Migration Testing
- Performance
  - Load
  - Frontend
  - Stress
  - Soak test
- Component & Unit Testing
- Usability Testing
- Compatibility Testing
